## Inman Presbyterian Website

We are happy to announce that Don McKay has graciously offered to create a website for IPC. The address is: [www.inmanpres.org](http://www.inmanpres.org). In the future, you will find lots of information about our church, its mission and history as well as on-going events and pictures. If you have any suggestions for the website please contact Judy Glassing (678-231-6077 cell). We are also looking for volunteers to serve on the Communications Committee with Judy.

## Other News of Interest

The Session is studying the SAFE Place information and policies of two sister churches in the Foothills Presbytery. Study packets are available on the back pew.

## Thank You!

The Worship Committee wishes to thank Nona Weir for making the children a robe to wear while serving as acolytes. We appreciate her generous gift.
